

Andrew Fletcher Foundation Governor

My name is Andrew Fletcher and I am a Foundation Governor for St. Mary's. I was appointed in November 2014. My daughter is a pupil at St. Mary's. The role of the governor requires me to focus on the provision of excellent education for our children, admissions of pupils and ensuring that funding is used in the most effective way whilst upholding the Catholic ethos of the school.

I sit on the Teaching and Learning Committee and have a particular responsibility for Special Education Needs.
