

Fr. John Lee **Foundation Governor**

My name is Fr John Lee, recently appointed Parish Priest to St. Joseph's Catholic Church, Maidenhead. As a priest I have served in Edinburgh, London and for the last ten years in Christchurch. I am a Foundation Governor for St. Mary's School with an interest in the development and delivery of Religious Education. For the last twenty-four years I have been involved with primary and secondary schools both as a chaplain and as a governor. As a Parish Priest one of my most enjoyable duties is to visit the school and to get to know the children. As I begin my new appointment at St Joseph's I look forward to getting to know St Mary's school community and our parents too!
