

## Y3 and Y4 Topic task for the Summer term 2018

Dear Parents,

Our Geography topic is local studies and we would like the children to become more familiar with the area that we live in. During the next two weeks, we would like the children to visit a landmark in Maidenhead, such as The Sounding Arch (Brunel's railway bridge over the Thames). The clock tower near the station, the statue of the boy with the boat at the end of the High Street, Kidwell's Park, and so on.

Please could you take a photo of your child including the landmark, and then, either print the photo, or email it to your child's class teacher. We would like to have a display in each classroom showing different places in Maidenhead.

Please forward the file to the relevant class e-mail accounts:  
(Please **do not** send in a memory stick)

If you have any queries, please come and talk to one of the Lower Junior team and we will be happy to help.

Please be as creative as you like with the places you choose!
