

End of Key Stage Results 2015-2016

These results are amazing in themselves but even then they do not provide an accurate reflection of our school's performance and the hard work of our pupils and staff. The reading alone has clearly produced questionable outcomes but then the tests were flawed too. We are all so proud of what we have achieved.

Key Stage 1 - 6 children (14%) in year 2 have extreme SEN needs.
