Impact

- 98% of children enjoy PE lessons
- Pupil conferencing summer 2014 "Children love PE both indoor and outside and would love to do more if they could."
- Increased participation and profile in sporting tournaments and festivals with teams in all possible competitions
- Increased staff knowledge and confidence through teachers from all departments attending CPD using the Real PE system amongst other training
- Young Ambassadors working throughout the school leading playground challenges and beyond with other Young Ambassadors from primary and secondary.
